James Philip Is Welcomed

Mr. and Mrs. George Hatfield, of 330 Calle de Andalucia, Hollywood Riviera, welcomed their first child, a son, James Philip, born at Torrance Memorial Hospital.

The baby's mother is the former Miss Dorothy Jensen, for several years a National Supply Company employe. Her last position was as secretary to Earl C. Bekert, principal of Torrance Junior High School. The baby's father is manager of production control at National Supply Company.

PFC. AND MRS. RODNEY A. CLARKE

Takes Lovely Bride In Cathedral Rites

Planning a "royal American" welcome for their son, Pfc. Rodney A. Clarke, and his bride, the former Inge Fenger of Ludwigsburg, Germany, are Mr. and Mrs. George T. Clarke, 336 O'Farrell street, San Pedro and formerly of Torrance.

According to newspapers from Ludwigsburg, the wedding of the pair in the Cathedral of Stuttgart was one of the most impressive the two cities have seen since the war. Bells chimed for the couple, and the bride came down the candlelighted aisle to organ music.

The bride, daughter of Mrs. Martha L. Fenger of Ludwigsburg, has been secretary in the American Red Cross office in Stuttgart. For her wedding day she was attired in a white princess design gown, ending in a train. Her veil of sheerest illusion net was held in place with a white floral halo. She carried white carnations and other blossoms.

An army chaplain performed the ceremony, and a close friend of the bride was her only attendant. Sgt. William Baker was best man for the bridegroom.

An evening reception, complete with a traditional white cake, honored the newlyweds in Deutscher Haus, a fashionable restaurant in the city. It was attended by hundreds of friends and associates, army and Red Cross personnel.

Pfc. Clarke has been stationed with the 28th Infantry for three years, his parents reveal. He is at present assigned to Bamberg. A graduate of Torrance high school, W'45, he was on the football team at the school.

The Clarks expect their son and his bride to arrive anytime this week.

Walterians Hear Lecture on Germany

Colonel Jefferson, U. S. Army, formerly of the Reparation Office of General Lucius Clay's staff in Germany and head of the Army Recruiting stations in the harbor area at the present time, gave an interesting and forceful talk before the Walteria Business Men's Club last week.

Using maps and a chart to illustrate his lecture, the speaker chose the topic "Germany" which proved to be one of the finest programs yet presented before the club.

Meeting again this evening, the club will complete plans for a Christmas party for the children of Walteria.

FATHER'S NIGHT PLANNED BY NORMONT PTA

Father's Night has been scheduled for Normont School PTA for the evening of December 14, in the social hall of Normont Terrace.

The meeting, which will begin at 7:30 o'clock, will be highlighted by Christmas carols sung by school children and band numbers to be presented by the kindergartners.

An executive board meeting of the PTA will be held at the home of Mrs. Charles Hollstrom, 1105 W. 25th street at 4:30 o'clock Wednesday, December 8.

Legion Auxiliary Hears 19th District Officer at Annual Dinner Meet

"Value of a Large Membership" was the topic chosen by Bee Warren, first vice-president of 19th District Legion Auxiliary when she appeared Monday evening as guest speaker for the auxiliary of Torrance Post No. 170. The occasion was the annual membership dinner of the Torrance unit when covers were placed for 85 members and guests. Golden chrysanthemums decorated the hall and the dining table and the place cards which were artistically decorated in sea shells.

Velora Murphy, membership chairman, and general chairman for the dinner, was assisted by Maymie Atwood, Margaret Fordice, Daisy Watson, Alice Thompson, and Mabel Williams.

Dinner was followed by initiation and an enjoyable program of vocal numbers presented by Bea Burchett and Agnes Leopold.

Comprising the initiating team were Velora Murphy, first vice-president; Merle Youngken,

FASHION DOLLS FOR CHRISTMAS

The approach of the Christmas season and the annual practice of gift-giving inspired the women of the Harbor City American Legion sewing club to make dolls for the Christmas party at Juvenile Hall, Los Angeles.

The home of Mrs. Jennie Beck today was the setting for another meeting of the club to complete this important project. A good attendance at last week's bingo party held by the Harbor City Auxiliary No. 382 was gratifying and, with this in view, the committee has postponed the card party scheduled for December 4 and is replacing this event with another bingo party on December 11 at American Legion hall.

Theresa Marcoux is chairman and proceeds will be used for Christmas baskets.
